The Maryland Historic Sites Inventory was officially created by an Act of the Maryland Legislature, to be found in the Annotated Code of Maryland, Article 41, Section 181 KA, 1974 Supplement.

The Survey and Inventory are being prepared for information and record purposes only and do not constitute any infringement of individual property rights.

## 317 Mill Street

This bungalow, built in 1958, is an example of one type of house that arose to meet the increased demand for family housing after World War II. The house is not compatible with the architecture of Mill Street. It is a good example, however, of what could happen to the other vacant lots in the absence of historic district zoning.
